7) RHANI

TF gave the committee an update on RHI. Names of nearly all recipients have now been published. TF asked committee to check details to see if the figures are correct. If there are errors, please put in a complaint to DfE – this will help with the impending court case.

RHANI have brought forward two legal cases.

- 1) Regarding legality of tariff change
- 2) A wider case regarding the broader specifics of RHI scheme

At this stage, media perception seems to be shifting in favour of recipients. However, a lot of work remains to be done.

TF asked committee for feedback on communication from RHANI to be sure it is conveying the correct information in the correct way.

A lot of growers are very frustrated with Moy Park regarding their handling of the scheme.
