Tom,

Please find attached final version of the document on heating as sent to DETI. Happy for you to share with UFU Poultry Committee, but probably wise if DETI don't know you have seen final version. Good luck with your meeting, and many thanks for all your assistance.

Kind regards

Cathal

Chris,

Please see the attached from Tom Forgrave.

It is the document Cafre will be submitting to DETI regarding the RHI tariff. We are requested to keep it in house ATM and DETI are NOT to know that we have seen it.

Best regards,
Geoff
