Chris,

There shouldn't be an issue with you using the tariffs in your flyer – DETI have published the final tariffs on the website and they will be the tariffs from the outset of the scheme – the legislation is likely to pass early next week to confirm everything but I would not expect it to change.

Thanks,

Peter

Peter,

Thanks for taking the time to meet with me last week, answered a few questions and clarified a few key points.

I am due to prepare a flyer for the UFU on key aspects of small scale Renewables, including the RHI. Am I able to publish some of the tariffs in the flyer or is this too early in the day?

I look forward to hearing from you.
