Subject: Renewable Heat Incentive [Scanned]

Chris

You may already be aware but there was a DETI announcement on the RHI last week which included detail on revised tariffs. Please see the links below. These are still proposals as the legislation has to be considered by the ETI committee and voted on in the Assembly but of interest nonetheless.

<http://www.northernireland.gov.uk/news-deti-190712-foster-announces-long>

<http://www.detini.gov.uk/deti-energy-index/deti-energy-template-menu-5.htm>

Thanks,
Paddy
