Subject: RE: Biomass Processing Challenge fund [Scanned]

Hi Christopher

I was hoping to have something fairly soon as we are trying to screen the challenge fund to see if it requires a full EIA. I am going on leave today and will not be back until 2nd September. Would you contact Joyce Rutherford who will be back from leave on Monday 10th August to discuss if this timeframe would be suitable.

Many thanks for your assistance

Regards

Blinnia

Good morning Blinnia,

Wesley Aston has forwarded your email to myself.

I will be responding to your questions in due course but was wondering if there was a deadline i would have to be aware of? Reason being I would like to run your questions past our Rural Enterprise Committee and we are not due to meet until mid September.

I look forward to hearing from you.

Chris Osborne
