Hi Chris

Have checked our mailing lists and amended any that didn't have your details. Some of our mailing lists have the UFU generic mail address ie. info@ufuhq.com to cover all - have left this address on any mailing list that had it, just in case.

If all else fails I'll push anything through your letterbox on the way home!

Good morning Sandra,

For some reason i have not been getting any communication from yourselves on the above? These email have been forwarded by third parties. I thought this has been sorted ages ago.

Could you make sure that my details are added to any future communication?

Many thanks
