Hi Chris,

We're under a lot of pressure here to turn round the results quickly to meet the legislative timetable. On the other hand, we can't afford to ignore stakeholders with things to say. So yes, but please not any later – and don't tell anyone else you're getting an extension!

Olivia,

My only concern is meeting the deadline of 14 September. Would it be possible to give me until 5pm on 19 September? I realise that this consultation has been open since July, but things have been hectic here with my other portfolio (dairy) so you could imagine how busy we have been.

I look forward to hearing from you.

Hi Chris,

I know you wanted to get a word with me at the Energy Bill event last Friday, but by the time I was looking round for you, you had had to go on. Sorry we didn't catch up with each other!

Is there anything that you would like to discuss over the phone?

I am not here tomorrow, but am around late am and pm on Wednesday if you want to schedule a call.

Best wishes

Olivia
