Chris,

Thank you for making us aware of this. That's no problem just as long as you arrive as soon as you can we could continue with other business until you arrive.

Regards

Nathan

Thanks for this Nathan.

However, there might be a slight complication. **Personal information redacted by the RHI Inquiry**
Personal information redacted by the RHI Inquiry I will make it to Stormont in plenty of time, but if there are any delays I could be cutting it fine. Is there any flexibility in times? If I am late it will be 5-10 minutes as I can do the car journey in 10 minutes.

Let me know what you think.

Many thanks

Cgris
