Chris,

You are correct that it relates to the Inquiry Report. The Committee has asked the Department a number of questions in relation to its implementation of the inquiry recommendations and will consider the Department's response at this week's meeting.

Regards,

Jim

1

Good morning Jim,

I see that in the Business Diary, the ETI Committee are due to meet on Thursday at 10.30. One of the subject for discussion is "Renewable Energy Inquiry". Could you tell me more about this? I would hazard a guess that it relates to the report launched earlier in the year.

Many thanks and i look forward to hearing from you.

Chris Osborne
