Good morning Trevor,

Apologies, I did not get a chance to speak to you on 23 February at the Biogas Research Action Plan launch, but I believe that you had a chance to have a word with our Chairman Gary Hawkes after the event.

During your presentation, you mentioned a technology transfer trip to Sweden to visit a biogas plant. Would it be possible to register our interest in this trip? Not sure if it's yourself or Andrew Miller who is dealing with this.

Many thanks and I look forward to hearing from you.
