Chris

Just a quick note to say that it was good to meet you on Friday at the Ecos Centre at the SMALLEST launch.

I mentioned to you that we're holding a scoping workshop on Friday for the Onshore Renewable Energy SEA at the Park Avenue Hotel. I've attached an invitation for your information and it would be great if you could join us. We need to provide final numbers to the Park Avenue in the next day or two so I'd appreciate it if you could let me know if you or a colleague wishes to attend.

Thanks

Davina
