Subject: RE: ETI Committee - Future of NIRO/Future Support

Chris,

Just to confirm, UFU, Wind NI, Renewables NI and Simple Power will all brief the Committee on 19th January at 10am.

My colleague will forward you the general information for witnesses shortly. The usual format is 5 minutes opening remarks and then open to questions from members. It is helpful for members to receive a written briefing beforehand. If you wish I can just include previous correspondence in members' packs but if you would prefer a written brief to be given to members for the meeting I would need it by Tuesday 12th January.

Regards,
Angela
