Dear Christopher,

Please see email received below regarding your request for a meeting with Jonathan Bell MLA. I understand that you met with the PS and DETI officials and are hoping to meet with Jonathan Bell when he is re-appointed Minister.

I hope this is okay.

Kind regards,

Samantha

Betty

As discussed, we received this request from Chris Osbourne at the start of October. A meeting took place between members of the UFU and our Permanent Secretary Andrew McCormick and DETI official John Mills on Wednesday 7th October. A meeting with Jonathan Bell in his capacity as MLA was also offered for Thursday 8th October but the UFU declined this and said they would wait and meet with Jonathan Bell when he was re-appointed as DETI Minister.

It was left that Chris Osbourne would keep in touch with me.

Hi Jonathan

Please see attached email received from our constituent Chris Osborne from Renewable Energy. As you can see in his email he has asked Jim to see if it would be possible to set up a meeting with you as Minister for DETI. I would appreciate if you could have your diary secretary contact our office in order to arrange a suitable date and time for a meeting to take place.

I look forward to hearing from you soon.

Regards

Betty

Dear Jonathan,

Consultation on Closure of the Northern Ireland Renewables Obligation (NIRO) to new onshore wind in 2016

I am writing to request an urgent meeting with you discuss the above consultation. With the deadline for submissions on 14 October 2015, it is imperative that this meeting takes place early next week (w/c 5 October). As it currently stands the implications for the small scale wind (sub 250kW) industry are dire and we would welcome the opportunity to express our views on this consultation.

I look forward to hearing from you.

Yours sincerely,

IAN MARSHALL
