Minister Rudd

Further to the letter below, I have been contacted by the Ulster Farmers Union. They have advised they will be travelling over to Westminster on 14th October. As you will appreciate they hope to make the most from their trip and were wondering if it was possible to meet with you on the 14th October at either 12.30pm or a time after 3pm?

I trust this request is in order and I look forward to hearing from you.

Dear

RE: Ending of the Renewable Obligations in NI will Impact on the Farming Industry

I am writing to request a meeting with you to discuss the commitment to the one year grace period for Northern Ireland and the serious implications for NI farming industry if this commitment is not adhered to by the Department of Energy & Climate Change. You will be aware that the current situation in NI means that the DETI Minister is not in post and that DETI have issued a two week consultation backtracking on the above commitment for a one year grace period. Given the seriousness of this situation, I would appreciate a meeting with you at the earliest possible opportunity.

I look forward to your reply.

Yours sincerely

Margaret Ritchie MP
