Importance: High

Good afternoon,

I am writing to you in relation to the ETI Committee meeting on 9 July 2015, as it has been brought to my attention that the Committee will discuss once again the Proposed Renewables Obligation Closure Order (Northern Ireland) 2015.

2

It should be noted that the UFU responded to the DETI consultation "Consultation on Transition from the NIRO to Contracts for Difference and Grace Periods", however, matters have moved on since then. Consequently, please find attached a letter which sets out the UFU position on the closure of the NIRO which we would wish the Committee to consider when they meet on Thursday.

If you have any queries do not hesitate to give me a call on 02890 370222.
