Chris

We could not finalise our response until the DECC document was published given the UK-wide banding of many of the ROC levels. However we now have our response with the Minister and I hope we will be in a position to publish in the next week or so.

Good morning Michael,

2

Following on from the DECC press release yesterday (25 July) on the Banding Review for the Renewables Obligation I was wondering if there was any indication when there might be an announcement here in NI.

I look forward to hearing from you.
