Good morning Suzanne,

When the UFU met with yourselves and the Minister on 11<sup>th</sup> July, we raised the fact that 850 planning applications for small scale wind turbines were still awaiting a decision. Amongst these there were several cases which were met with conflicting policy decisions (which are further adding to the delay) and you said if such a case came to hand, I could send it to you.

I have attached a letter from ourselves outlining the [Scanned] case and I would be grateful if you could have a look at it.

Many thanks and I look forward to hearing from you.

Chris Osborne
