

Seminar Programme for POFRE, Enniskillen, on 13th February 2013

Start Time	Technology Seminar	Speaker	Room	Start Time	Seminar on Issues	Speaker	Room
1.30	Biomass prod ⁿ & waste treatment by willows	Chris Johnston	A	1.30	Grid connection	Michael Atkinson	C
2.00	Solar PV	Greg Forbes	B	2.00	RHI	Nigel Moore	D
2.30	Micro-hydro	Eoin McCambridge	A	2.30	Funding	Gareth Gormley	C
3.00	Heat from biomass	Cathal Ellis	B	3.00	NIROCs	Michael Harris	D
3.30	On-farm Biogas	Willie Moore, N Moore	A	3.30	Planning issues	Connor Hughes	C
4.00	Challenges with wind	Chris Osborne	B	4.00	Finance	Iain Lees	D
4.30	Wind power case study	Elliott Bell	B	4.30	Taxation and Business Planning	Charlie Kilpatrick, Anne Douglas	C
5.00	Solar hot water	David Trimble	A	5.00	Marketing ROCs	Philip Carson	D
5.30	Heat Pumps	Garrett O'Sullivan	B	5.30	RHI	Nigel Moore	C
6.00	Biomass prod ⁿ & waste treatment by willows	Chris Johnston	A	6.00	Planning issues	Connor Hughes	D
6.30	Solar PV	Greg Forbes	B	6.30	NIROCs	Michael Harris	C
7.00	Micro-hydro	Eoin McCambridge	A	7.00	Funding	Gareth Gormley	D
7.30	Heat from Biomass	Cathal Ellis	B	7.30	Grid connection	Michael Atkinson	C
8.00	On-farm Biogas	Willie Moore, N Moore	A	8.00	Finance	Iain Lees	D
8.30	Challenges with wind	Chris Osborne	B	8.30	Taxation and Business Planning	Charlie Kilpatrick, Anne Douglas	C
9.00	Wind power case study	Elliott Bell	B				

College of Agriculture,
Food & Rural Enterprise

Practical on-farm Renewable Energy

CAFRE,
Enniskillen Campus

Wednesday 13th February 2013
1.00pm – 10.00pm

This event aims to provide practical information on renewable energy options for farmers and the rural sector.

Seminars on Renewable Energy Technologies:

- Biomass production and utilisation
- Anaerobic digestion
- Wind generation
- Solar hot water
- Micro-hydro
- Heat pumps
- Solar PV

Seminars on the issues associated with Renewable Energy:

- Grid connection
- Planning permission
- Grant funding
- Finance
- Renewable Heat Incentive
- NI Renewable Obligation Certificates

Tours of the College renewable energy installation

Trade Exhibition

Renewable energy technologies will be on display
