Tom,

1

Thank you.

I have two letters to send; one to Sammy Wilson, to cover the rates query and another to Alex Attwood in relation to planning. I cannot send these until I get some important supporting information from Chris Johnston at AFBI in relation to the drying of willow. Once I get this I will send the two letters, and in each letter I will be requesting a meeting with each minister to discuss the areas of concern as this will have deep ramifications for the biomass sector. I will be asking John Martin to be a part of the delegation too.

Have a good weekend Tom.

Chris

Dont know if UFU a member of this Development Control Practice organisation but it gives the details of Planning decisions. It appears to be a UK database as opposed to an NI.
