Chris
DETI would not be able to comment on the detail or accuracy of what you have written - intuitively it seems fine. One suggested additional point has been tracked in which you will wish to consider.
Hope this is helpful

Good afternoon Fiona,

Good to meet up with you last week.

I am planning on arranging a meeting soon to discuss the RHI in greater detail, however, in the first instance you agreed that if the UFU where to put out some advice for our members on wind turbines, you might wish to run your eye over it.

Please find attached the first draft, i am intending to put this in the press on Thursday so i would be grateful if you could get back to me before then.

Many thanks
