Hi Barry / David,

Hope you are both keeping well.

We have been speaking with DETI in regards the forthcoming RHI changes and they have issued the attached document which will be launched on their website this evening confirming the changes.

The tiered tariff is due to come into force in November and it is capped at 1314 FLHRs which will have an impact on the Esco proposal we had submitted earlier this year so I thought I should send you through a copy for review.

I will give you a call later to discuss.

Kind Regards

Connel McMullan | **Managing Director**
