Subject: FW: RHI Scheme closure

Good Morning All,

It has been brought to our attention early this week the current RHI scheme effective from 18th November 2015 is due to come to an end 29th February, instead of the original implicated date of 31st March 2016.

To remind you of the current scheme;

20kWth and above up to but not including 200kWth;

Tier one- 6.4p per KWH for the first 1314hours

There and after to a total of 400,000kwh

Tier two- 1.5p per KWH

COM-114895

This means anyone wishing to get in on the scheme before its closure **MUST ACT QUICKLY**. We are currently offering a new product, "The Biomass Air Blowers System". This is a smaller compact 60kwh pellet fed Biomass Boiler heating spaces up to 1000SQM.

Benefit's to you and your business;

- **FREE HEAT**
- Yearly Profit on top of free heat (over £10,000 annual payments)
- Easy and Quick to install
- Single phase- plug and play system
- Low Operational costs, low noise levels
- Requires 18-36 tonnes of pellet annually.

Delivery, Installation and accreditation application can be achieved in 5 days from order.

If you are interested *DO NOT WASTE TIME* and get in contact for further information, terms and a quote.

** Please understand this **does not** affect anyone accredited or awaiting accreditation under the previous 99kwh scheme or anyone who has an application submitted**

See attached.

I look forward to hearing from you.

Kind Regards

Nicola Harron
