Nutt's Corner Hot Water Proposal 22 06 15.ppt

Hi Tracy,

Ref point 14 below, would it be possible to organise a meeting with David Gibson (David Mark, Simon Oborn – optional and myself) to take him through the draft proposal (approx 30-45 mins)?

Copy attached for info

Best Regards

Barry

Subject: RE: NI Farm Growth W/E 19th June 2015

1. No new houses stocked this week
2. NI Farm Sales – initial bid received further visits last week - will review this week Dundoonan options G Henry
3. Sign Off System – major clear out last 2 weeks – excellent - starting to build for next tranche for end month deadline
4. Seasonal Turkey – draft Letters of Intent to be prepared this week after detailed site visits last week.
5. Tender Process HWF House Build – reviewing final spec re water treatment to be finalised this week and presented
6. Viewing Gallery – offer out to 3 growers for simple internal new gallery in new builds estimated cost £10K paid 115% over 5 final approval to be confirmed
7. Performance Site – meeting held with Architect to design and review planning issues around new production house with enhanced viewing facilities – checking environmental issues
8. Free Range – review options/costs for larger Free Range farms to grow Std+ at low demand periods
9. HWF Development Ares – review of area for growth – to consider extension in East Down (low environmental challenges) and consider holding on to Turkey capacity in Fermanagh by dual HWF/Turkey conversion

10. RHI – indications from DETINI that regime will change October 2015 – big rush for installs in August/September c 150 sheds! (Take us from 400 to 550 sheds 75% indoor capacity Hot Water)
11. RHI going forward will changes as yet no firm indication on shape of new scheme – hopeful it will still “work” for Poultry albeit a lower return – then need to consider Breeder Rear opportunity
12. Windows – Paul McBride to be released from IPPC (Keith has new resource for this work) and increased focus on Windows and action plan (hand holding) - PMcB
13. Biosecurity Double – Operations lead
14. Nutt’s Corner ESCO – draft proposal will be effected by RHI changes draft prepared as is to go to DG this week - Barry Towe and DM
15. Procurement Wood Pellets underway with Central outline agreed for discussion and policy on sustainability tabled – on standby until HWF & ESCO sorted
