Dear Sirs

**The Independent Public Inquiry into the Non Domestic Renewable heat Incentive (RHI)
Scheme
Request for Information**

We refer to your letter of 12 May 2017

We installed a Biomass Boiler utilizing the RHI NI – Non Domestic Scheme for our business at the above address.

Other than the normal application correspondence we have no specific correspondence for this application.

I learnt about the scheme firstly through general media and then during my employment with Moy Park.

Yours faithfully

David Mark
