Dear Sir

Re: The Independent Public Inquiry into the Non Domestic Renewable Heat Incentive (RHI) Scheme
Provision of a Section 21 Notice requiring the provision of evidence in the form of a written statement

I am writing to you in my capacity as Solicitor to the Independent Public Inquiry into the Non Domestic Renewable Heat Incentive (RHI) Scheme (known as 'the RHI Inquiry') which has been set up under the Inquiries Act 2005 ('the Act').

I know that you will be familiar, from my previous correspondence, with the RHI Inquiry's Terms of Reference, which remain available on the Inquiry's website. You will also be aware that the RHI Inquiry is conducting its investigations into the matters set out in its Terms of Reference. The Inquiry is continuing with the process of gathering all of the relevant documentation from relevant departments, organisations and individuals.

In addition, the Inquiry is also engaged in the process of requiring individuals who have been, or who may have been, involved in the range of matters which come within the Inquiry's Terms of Reference to provide written evidence to the Inquiry Panel.

of any concerns you may have about the actions of others.

I appreciate that you may require or desire access to some documentation in order to assist you in preparing your statement. In particular, you may wish to see documentation to which you previously had access but now no longer have access in your current post. If that applies in your case, I understand that Ofgem will assist you, at least in the first instance. You should contact Mark Mills, Principal Legal Advisor at Ofgem. He is contactable at Mark.Mills@ofgem.gov.uk. I have informed Mark Mills that you may be making contact with him to arrange access to documentation, or for general assistance and support; but there is, of course, no obligation upon you to do so. If you encounter any difficulties, of whatever kind, you should not hesitate to get in touch with me.

I also refer you to Restriction Order No 2 made by the Chairman of the RHI Inquiry on 22 June 2017, a copy of which is enclosed for your convenience. This restriction order prohibits you from publishing any documentation received from the RHI Inquiry (save that you may show it to your legal representative) unless you first obtain the consent in writing of the Inquiry Chairman.

In addition to the four restriction orders made by the Chairman of the RHI Inquiry (which you will find published on the Inquiry website) receipt of this correspondence and its enclosures also places you under a duty of confidentiality to the RHI Inquiry in respect of them. You may share the correspondence and the enclosed Notice and documents with your legal representative(s), but neither you nor they may show, communicate the contents of, nor provide this correspondence or the Notice or documents to any other person or organisation without the express permission of the RHI Inquiry. Any breach of this duty of confidentiality is actionable at the suit of the Inquiry Chairman.

You will also find attached to the Section 21 Notice a Guidance Note explaining the nature of a Section 21 Notice and the procedures that the RHI Inquiry has adopted in relation to such a notice. In particular, you are asked to provide your evidence in the form of the template witness statement which is also enclosed with this correspondence.

In keeping with the approach we are taking with other individuals, the RHI Inquiry is now issuing to you a Statutory Notice (known as a 'Section 21 Notice') pursuant to its powers to compel the provision of evidence in the form of a written statement in relation to the matters falling within its Terms of Reference.

The Section 21 Notice enclosed with this letter requires you to provide evidence to the RHI Inquiry Panel in the form of a written statement addressing the matters identified in the Schedule to the Section 21 Notice. As the text of the Section 21 Notice explains, you are required by law to comply with it.

The aim of the enclosed Notice is to require you to provide all relevant evidence you have within your knowledge, information or belief which is pertinent to the Inquiry's Terms of Reference. The Schedule to the enclosed Section 21 Notice provides further detail as to the matters which should be covered in the written evidence which is required from you. In the event that there is a category of information in respect of which you have no evidence which you can provide, please state this in your response. Where you can provide evidence, the more comprehensive your statement is, the less likely it may be that the Inquiry will have to revert to you at a later stage for clarification, although in many cases this is likely to be necessary to some degree.

It is vital that the witness statement you provide to the Inquiry is your own evidence, absent the influence of others; that it is comprehensive; and that it fully explains your involvement in the matters about which you have been asked.

As you may be aware, the Inquiry has already required the provision of a statement setting out the corporate position of Ofgem in relation to the Northern Ireland RHI Scheme. However, the Inquiry Panel is also interested in the roles played by individual officials from Ofgem who were involved with the Scheme. Moreover, the Inquiry Panel recognise that individual officials may have a different perspective from, or may even disagree with certain aspects of, the position adopted by the organisation they work for. The statement, which is required from you pursuant to the enclosed Notice, is your opportunity to explain what you did in relation to the Northern Ireland RHI Scheme and why you did it; and also to make the Inquiry aware

Given the tight time-frame within which the RHI Inquiry must operate, the Chairman of the Inquiry would be grateful if you would comply with the requirements of the Section 21 Notice as soon as possible and, in any event, by the date set out for compliance in the Notice itself.

Finally, I would be grateful if you could acknowledge receipt of this correspondence and the enclosed notice by email to Patrick.Butler@rhiinquiry.org.

Please do not hesitate to contact me to discuss any matter arising.

Yours faithfully

- ii. state whether, based upon your experiences of each, there were differences in how Ofgem dealt with each Scheme and if there were such differences, clarify whether any of them impacted adversely upon the NI RHI Scheme (in particular, concerning the proper administration of that Scheme), clarify what those particular differences were, and set out the reasons for those differences as you understand them.

Promotion of the NI RHI Scheme

11. Specify whether you promoted the NI RHI Scheme and/or encouraged any third party to seek accreditation under the Scheme, assisted any third party in so doing, or provided any third party with information knowing that they might apply, or consider applying, or that they might advise, encourage, assist, or cause other persons to apply, or consider applying, for accreditation under the Scheme. Whistle-blowing and raising of concerns

- 17. Identify any instances of which you are aware of whistle-blowing in relation to the Scheme, or disclosures made in the public interest raising concerns about the NI RHI Scheme, setting out details of when this occurred, to whom and by whom any relevant disclosure was made and how it was dealt with.
- 18. In particular, provide an account of how you dealt with any disclosures raising concerns about the NI RHI Scheme made or communicated to you at any time. In relation to each such instance, identify precisely how the concerns were communicated to you.
- 19. Specify when you first became aware that subsidies payable under the NI RHI Scheme exceeded the cost of biomass fuel used to produce heat (so that there

22. Provide any further evidence within your knowledge or belief which is relevant to the matters which the RHI Inquiry is investigating as set out in the RHI Inquiry's Terms of Reference.

NOTE:

It is important for the efficiency of the RHI Inquiry that the issues identified above are addressed as fully as possible and by reference, where available, to the dates and locations of specific incidents to which reference is made. The statement should be broken down into paragraphs, which should be numbered sequentially from '1' to the end. The use of appropriate section headings or sub-headings is also encouraged. A template witness statement is provided with this Notice for your assistance and should be used as the format for your response.

INQUIRY INTO THE RENEWABLE HEAT INCENTIVE SCHEME**RHI REF:** Notice 480 of 2017**DATE:** 19th October 2017

Witness Statement of: Clive Sparrow

I, Clive Sparrow, will say as follows:

Background

1. I am a chartered public finance accountant with extensive senior management experience in strategy, quality improvement and financial management. Since 2011, I have been an independent management consultant. I led Grant Thornton's central government advisory services for three and a half years until August 2011. I worked previously in the central efficiency team in HM Treasury and the Office of Government Commerce. My sector experience covers: central government, public bodies and local authorities; charities; NHS; police; education; and private sector companies.
2. I was a contractor for Ofgem on temporary consultancy assignments between October 2012 and May 2014 and, again, between October 2014 and October 2015.
3. I worked for Ofgem E-Serve as a consultant between October 2012 and May 2014. Throughout this period, I acted as programme director of the Ofgem E-Serve Process Improvement Programme (PIP) reporting to Robert Hull, the managing director. PIP was a business transformation programme, which improved productivity, delivery performance and staff satisfaction ratings. Whilst continuing to undertake this process improvement role, Robert Hull asked me to provide temporary part-time support to staff in two other areas:
 - a. Project Management Group; and
 - b. RHI Division.
4. Project Management Group: I supported the Ofgem project management group, following Philip Cooper's departure as Associate Director (Projects), during the period from September 2013 to May 2014. This was a corporate functions role.
5. RHI Division: I supported the senior managers (Jacqueline Balian, Head of Operations and Simon King, Head of Development) of the RHI Division in London during the period between Matthew Harnack's departure as Associate Director (New Scheme Development) in October 2013 and Gareth John's arrival as Associate Director (Renewable Heat, Non-Domestic) at the start of January 2014. Whilst I was of course aware that work was in progress on administration of the NI RHI Scheme, my remit during this brief transitional period was to provide general people management support to the senior managers of the RHI Division. Martin Crouch, Deputy Managing Director Schemes, provided interim support to the RHI Division on all policy and technical issues.

6. I worked again for Ofgem as a consultant between October 2014 and October 2015. Throughout this period, I acted as programme director of the Ofgem-wide Strategic Transformation Programme (STP) reporting to Andrew Wright, the Ofgem Group Finance Director.

Involvement with Northern Ireland RHI Scheme

7. I had no involvement with the NI RHI Scheme whilst acting as a consultant with Ofgem. Zero percent of my role was devoted to work on the NI RHI Scheme.

Promotion of the NI RHI Scheme

8. I have not promoted the NI RHI Scheme or encouraged any third party to seek accreditation under the Scheme, assisted any third party in so doing, or provided any third party with information.

Lobbying and pressure

9. I do not know of any instances of lobbying, encouragement, influence or pressure exerted by any persons in relation to the terms of the NI RHI Scheme at any stage.

Standards of conduct and conflict of interest

10. I do not know of any instances where any person breached relevant standards or acted in a way incompatible with their duties or in any way where they had a real or perceived conflict of interest. I do not know of any connection that I have to a person or body receiving payment under the NI RHI Scheme or benefiting commercially from the Scheme in some other way.

Whistle-blowing and raising of concerns

11. I do not know of any instances of whistle-blowing in relation to the Scheme or disclosure made in the public interest raising concerns about the NI RHI Scheme.

General

12. No representations have been made to me about the RHI Scheme. I have not had any conversations or discussions about the RHI Scheme that I regard as significant and about which I consider the RHI Inquiry should be aware. There is no further evidence within my knowledge or belief, which is relevant to the matters that the RHI Inquiry is investigating as set out in the RHI Inquiry's Terms of Reference.

Statement of Truth

I believe that the facts stated in this witness statement are true.
