Thanks for getting back to me Cathal.

I will be leaving Dungannon at 1pm, so I will aim to be at the venue for 2pm or as close as I can, can I suggest we meet in the "Green Room" and have a chat then?

Hi Chris, It looks like the only time available to meet will be 2pm as I need to attend the Heat from Biomass seminars and run the biomass tours. Happy to meet any other time if the 18<sup>th</sup> doesn't suit.

Regards

Good morning Cathal,

I have met with Seamus Hughes and Dan Sinton at DETI re the RHI and I have a few details straight in my head now. Would it be possible for you and I to meet to discuss a few details? Can I suggest getting 30 minutes at the POFRE event at Enniskillen on 18 February? I will be there from 2 to 7pm.

Let me know how you are fixed.

Many thanks

Chris
