TO BE RETURNED TO THE PRIVATE OFFICE BY COP 16 FEBRUARY 2016**EVENT**

~~Mr. Mike Mullan~~, Moy Park's HR Director Europe has requested a meeting with you to discuss the Renewable Heat Incentive (RHI).

This may be in response to the recent announcement by Minister Bell and the Assembly vote that the RHI will close on the 29 Feb 2016.

Reasons to accept/decline the invitation

Moy Park is a large employer in the north. The potential closure of the RHI may be a problem for poultry farmers who were considering or are in the process of expanding their systems and were potentially going to use biomass heating systems to heat their chicken houses and avail of the RHI.

Role of Minister at event

To listen to the issues raised by Mr ~~Mullan~~ and explain the DARD position on the RHI.

Any Presentational Issues

Mr ~~Mullan~~ has requested to meet you as wishes to discuss the RHI. It is probably connected to the recent DETI announcement on the RHI closure and the impact he sees on the poultry industry.

Mr ~~Mullan~~ may decide speak to the media.

The RHI is a DETI scheme. DARD has no direct input into the policy decision.
