Subject: RE: INV-0066-2016 : Request from Moy Park for a meeting to discuss the Renewable Heat Incentive

PO,

Moypark has been offered the opportunity to meet with officials to discuss the RHI as the Ministers Diary commitments meant she would be unable facilitate this meeting before the end of her term. Moypack have responded by saying it prefers not to organise another meeting at this time.

Thanks
Terence

The Minister has advised that due to other diary commitments she will be unable to facilitate this meeting before the end of her term and has asked that Officials take forward this meeting.

I would be grateful if you could advise Private Office of the outcome of the meeting.
