Hi Chris,

Sorry I am unable to attend the Wood Fuel Quality event at AFBI tomorrow.

Due to the RHI payment deadline I have 24 x 99kw wood chip boilers to be installed before the end of this month and another 6 in October. Is there still a trade stand space available? I could set up our display and leave some leaflets if that is ok?

Kind Regards,

Hi John,

Sorry not to see you but understand the urgency and workload.
We were only going for public sector / NGO stands essentially – more of an information and networking day rather than a selling opportunity !

Talk soon

Regards
Chris
