Of course..... I was looking for an attachment email.

Thanks again

Bit at sixes and sevens following family death and funeral last Friday. Should have the list of attendees available and will get office to forward asap.

Likewise with summary of feed back which was very positive.

Comments were:

Variation of topics covered by first 2 speakers too similar	1 comment
Sound quality poor, sound could have been better	2 comments
Directions to AFBI Hillsborough	1 comment
Include some handouts	1 comment
RHI session could be improved	1 comment

15 forms returned

Only 3 disagreed in relation to balance of delivery aids

1 of above disagreed about the pace of the workshop and that topics were covered in sufficient detail. (similarity of 1st 2 talks and RHI talk

Will ask Nigel to forward photographs.

Hi

I can do this no probs and I thought I would ask AFBI to put them all onto a website and then we can send the link round to all attendees (maybe via CAFRE).

I will also put together a press release which I will run past you too Cathal.

I am looking to get a few photos from Nigel and a final list of names, affiliations and feedback from Cafre.

Let me know if this suits all.

Regards
Chris

Chris/Cathal,

Who was going to put the presentations into pdf format and send them out? Is that something that the CAFRE staff were doing?

Thanks

Anne

Cathal,

I think we should email a thank you letter to the speakers and chair for their contributions yesterday. I am happy to write something but I know how organised CAFRE are at these things so maybe you already have something in process.

Regards
Chris
