Excellent. I am having an electronic flyer and e-mail banner drawn up so if we could finalise speakers by the end of next week it would be great. If you could draw up a list of those who should be sent an invitation it would be useful. I will sent out to all the installers on our POFRE trade list.

Thanks

Cathal

Cathal,  
(Eddie cc'd)  
I was talking to Eddie. They are happy to contribute a short talk on their drying floors for 8<sup>th</sup> March.

I think design and construction would be appropriate.

Will do

Did we reckon it was with regards to actually building and constructing drying floors we were after Cathal? I suppose the wood chip drying will cover a lot of the other.
