Sinclair Thank you,

Indeed – the funding point is regularly stated and indeed as of today the biomass sector is in absolute turmoil due to the following... (well we have known it was coming however now it is official)!!

Jim, Chris,

Agreed – a good opportunity.

Important to stress that, as at present, you have no funding for this programme after 1 April.

Chris
Good to be recognised and asked.

Sinclair

As this meeting is at Stormont and to MLAs, I request clearance for Chris to speak at it. It is a good opportunity to increase AFBI's profile

Jim, Chris,

Please see attached Chris. Title as per the .pdf
Location at Stormont again.

“The potential of bioenergy in NI” – essentially I’m talking about Biomass. Theoretical / practical/
drivers. Tonnes of biomass needed. Where it is can come from and of course I will be linking the
potential for producing biomass while protecting the environment. Multifunctionality of energy
crops...

I would, but it should probably come through Jim. Can you give me the title (or working title!)
and quick highlights of your presentation?

Thanks

Hi Chris,

I don't know whether I need to let anyone (CEO, HoD etc) know about this but I've been invited to speak at the below MLA event at Stormont.

Good afternoon all,

The 2016 All Party Group meetings on Renewable Energy will begin with 'Bioenergy in Northern Ireland', and will take place on the 22nd February at the Parliament Buildings, Stormont, Belfast.

The meeting will highlight bioenergy, how it is currently used in Northern Ireland, and its potential for the future. It will feature a series of presentations from bioenergy experts in Northern Ireland.

Please see the attached agenda for further details.

If you are interested in attending this event, please contact me to reserve a place. I look forward to hearing from you.

Kindest regards
