I had promised to keep HOCS and DFP informed. But there was no indication they would show it to anyone else and I find it again unhelpful that it was shared with others. Shouldn't have happened.

Andrew

Why was this draft paper sent out to the distribution list below?

I had asked that it be forwarded to me last night in draft and we could then discuss today. The sub, statement and letter are currently being amended. This may cause some confusion

Have spoken to David Sterling who was not aware that Mike had forwarded to Andrew. Very sorry - as I said I had undertaken to keep HOCS and DFP informed but it should not have crossed the next line.

Can talk when I get to Aldergrove c. 20.15

Many thanks.
