Yes it issued yesterday - only changes from the version we gave the Minister were factual updates. Will check your point and get other documents when finished the meeting I am in (still).

Many thanks.

Andrew

Has this issued yet?

Secondly somehow in the last two weeks a limit has been placed on my email account and emails beyond the last 3 months are now deleted. I am currently trying to find out who authorised this change. Can you send me copies of the documents in the timeline by return.

Tim
