Dear Janette

Thank you for your email of 27 August 2013, providing information on your company and the product you have been promoting to support energy efficiency in the local care home market. Given my Department's role in advising consumers on how best to manage energy demand and costs, I was pleased to learn of the success of your Heatboss product and your work with Invest NI.

Unfortunately, due to diary commitments, I am unable to meet with yourself to discuss how your product might align with the Northern Ireland Renewable Heat Incentive. However, my Head of Energy Division, Fiona Hepper is content to arrange a meeting with yourself and members of her Renewable Heat team if you would find this helpful.

To make the necessary arrangements I would be grateful if you liaised directly with Fiona's secretary, Laura McCoy (028 9052 9200 or laura.mccoy@detini.gov.uk).

Yours sincerely

Arlene Foster MLA
Minister of Enterprise, Trade and Investment
