Subject: Publicity Leaflet for Practical On-farm Renewable Energy event on 29th October
Date: 14 October 2015 13:48:46
Attachments: [Leaflet.PDF](#)

Colleagues,

The Leaflet with full details of the programme at Greenmount on 29th October is attached. Could you please circulate this as widely as possible among interested contacts to publicise the event.

Thank you.

David

Practical on-farm Renewable Energy Event

CAFRE, Greenmount Campus
Thursday 29th October 2015
11am – 8.30pm
In association with the Ulster Farmers' Union and the Agri-Food and Biosciences Institute.

cafre
College of Agriculture,
Food & Rural Enterprise

The banner features a green background with white text and icons of a tractor, a wind turbine, and a tree.

Practical on-farm renewable energy

CAFRE,
Greenmount Campus, Antrim
Thursday 29th October 2015
11.00am - 8.30pm

Renewable Energy Technology Seminar Programme

Time	Subject	Speaker	Room
11.30	Photovoltaic power (PV)	Monitoring farm case studies David Trimble	A
12.00	Wind power	Colin Boggs, Banbridge, Case study farmer	B
12.30	Heat from biomass	Tom Forgrave, Ballymoney, Case study farmer	A
1.00	On-farm biogas	Donald Montgomery, Eglinton, Case study farmer	B
1.30	Natural pollution control using energy crops	Chris Johnston, Environment and Renewable Energy Centre, AFBI	A
2.00	Micro-hydro power	Adrian Morrow, Glenarm Estates, Case study farmer	B
2.30	Energy storage systems	Dr John Harrison, SWC	A
3.00	Wind power	Colin Boggs, Banbridge, Case study farmer	B
3.30	Biomass fuel quality	Noel Gavigan, IrBEA	A
4.00	Energy efficiency	Steven Gilkinson, Dairy Technologist, CAFRE	B
4.30	Alternative fuel vehicles	Cathal Ellis, Renewable Energy Technologist, CAFRE	A
5.00	On-farm biogas	Donald Montgomery, Eglinton, Case study farmer	B
5.30	Natural pollution control using energy crops	Chris Johnston, Environment and Renewable Energy Centre, AFBI	A
6.00	Energy storage systems	Dr John Harrison, SWC	B
6.30	Heat from biomass	Tom Forgrave, Ballymoney Case study farmer	A
7.00	Photovoltaic power (PV)	Monitoring farm case studies David Trimble, Renewable Energy Technologist, CAFRE	B

Renewable Energy Challenges Seminar Programme

Time	Subject	Speaker	Room
11.30	Grid connection	Michael Atkinson, Head of Generation Connections, NIE	C
12.00	Renewable Heat Incentive	Seamus Hughes, Renewable Heat Branch, DETI	D
12.30	Renewable Obligation Certificates	Michael Harris, Renewable Electricity Branch, DETI	C
1.00	Rates for Renewable Energy Generation	Stephen Fay and Brian James Land and Property Services	D
1.30	Finance	Gordon Whitford, Regional Agricultural Director, HSBC	C
2.00	Is there a future for small scale generation?	Christopher Osborne, Senior Policy Officer, UFU	D
2.30	Role of the Utility Regulator	Tanya Hedley, Director, Utility Regulator	C
3.00	Renewable payback times	Charlie Kilpatrick, Senior Business Adviser, CAFRE	D
3.30	Preparing a Planning Application	Roger Hogg, The GreenYard	C
4.00	Grid connection	Michael Atkinson, Head of Generation Connections, NIE	D
4.30	Renewable Heat Incentive	Seamus Hughes, Renewable Heat Branch, DETI	C
5.00	Is there a future for small scale generation?	Christopher Osborne, Senior Policy Officer, UFU	D
5.30	Finance	Gordon Whitford, Regional Agricultural Director, HSBC	C
6.00	Renewable Obligation Certificates	Michael Harris, Renewable Electricity Branch, DETI	D
6.30	Renewable payback times	Charlie Kilpatrick, Senior Business Adviser, CAFRE	C

Tours

Tour the College's renewable energy installations.

Trade exhibition

Over 60 companies will be exhibiting their products and services.
