Dear Seamus

Just an update on the McGuckian Milling Ltd, Wood to Energy Plant a Cloughmills.

We lodged our Planning Application for the project in Mid June and received a start date from the Causeway and Glens Council for the application from the 14<sup>th</sup> June.

There have been no objections from local residents and the overall community of Northern Antrim, with the closing date for comments for the Statutory Consultees in Mid August.

In our discussion with Financiers they are looking for some comfort with regard to the unit prices and start date of the RHI. This could be in the form of a Consultation Document or whatever form might be available.

We look forward to your reply.

Kind Regards

John
