Good morning Sean

We are still awaiting a decision from the Minister but the changes are planned for early October. Once we have clearance from the Minister the final policy will be published and I would expect this to be over the next week or so.

Sorry I have nothing more definite at this stage.

Regards

Seamus

Hi Seamus,

I was wondering if you could give me a quick update on the status of the proposed changes to the Non-Domestic RHI before October. I know most of the industry are gearing up for the changes to come in around October 5<sup>th</sup> but I'm aware there has been no official announcement yet. Can you say when you expect an announcement to be made?

Many thanks,  
Sean
