Thanks Seamus

Any idea yet whether there will be a period of grace of the option of pre-accreditation for those in planning?

Good morning Chris and Tom

Stuart asked me to drop you a short note by way of update on the proposed time-line for RHI changes. We are still awaiting clearance of the final policy by the Minister and allowing for due legislative process etc it is now likely that the changes will be in place from late October/early November.

I will keep you updated on any further developments.

Best regards

Seamus
