To Seamus Hughes – DETI

Dear Seamus

**RHI Accreditation**

We wish to inform you that we have been awarded an RHI Preliminary Accreditation with the following reference number:

RHI account number is ORG0000019229

Application Reference Number is NIRHI Personal information redacted by the RHI Inquiry

This is for our proposed biomass CHP plant; we are at the very early stages yet but the input of the RHI would be fundamental to our decision making on proceeding.

Thank you for your assistance to date.

**Kind Regards**

**Graeme Cather**
