Personal information redacted by the RHI - [State Aid Declaration11.pdf](#)

Hi Stuart,

Please find attached state aid declaration which has been in the system for a while but I had unfortunately overlooked it and have not forwarded to you until now- apologies. It is associated with Action Renewables and Fergal Hegarty called today to chase the progress. It looks like we are in a position to accredit once DETI confirm your state aid analysis. I don't think there will be an issue with this one as the declaration states the maximum operating hours and still comes some way below the de minimis limit.

Applicant is: Lisnacurran Country House B&B (Personal information redacted).

Do you think it will be possible to send me the checklist in Seamus' absence?

Many thanks,

Nadia

Hi Nadia/Stacey

I am actually on leave from today until 3 November myself. I suspect any new state aid declaration cases can wait until my return but in the event of any particularly urgency please deal directly with Stuart.

Many thanks

Regards

Seamus
