With regard to the conversation earlier about Ministerial priority for the Domestic RHI the only thing I can see is a reference from the SpAd on 22 September 2014 on foot of a submission on the phase 2 Domestic business case when he asked if the Domestic scheme couldn't be opened earlier than November 2014.

Michael

As promised, please find attached link to HMT Statement of Funding Policy published as part of the November SR. P13 summarises why AME is used for certain programmes (i.e. they must be demand ked, etc). But as we discussed, Northern Ireland RHI is categorised as AME in the Annex on page 70. This reinforces our treatment of RHI expenditure as AME right up until November / December 2015.

Happy to discuss.

Thx, Stuart
