Dear Mr Bell,

I was greatly disappointed to hear from yourself that the RHI scheme was being scrapped immediately without any warning. I had began construction on the ground for a biomass boiler for our poultry farm and would like to know what your department is planning next to offset costs I have incurred, due to the agreed end-of-March deadline not being adhered to.

As someone who canvassed on your behalf last year in the area of South Belfast, I would appreciate a reply.

Thanks, Stephen
