 Enquiry Type: General Enquiry: I would like to raise my concern at the decision of the DETI Minister to end the RHI scheme. As someone undertaking a new build hoping to avail of the scheme I disagree with the notice provided. The first mention of ending this scheme was the 8th of Feb and the anticipated date, if approved, is one week later. This is wholly unacceptable and gives inadequate notice for suppliers and customers alike. Clicking "Reply" will reply directly to the sender.
