I have just spoken to Edmund and confirmed that it is unlikely that the attached Deloitte scope does not meet our purpose of:

- (i) providing independent assurances that RHI recipients can/are taking advantage of the scheme;
- (ii) expressing an opinion over the allegations of abuse; and
- (iii) providing an independent view which can be provided to NIAO/PAC as evidence.

I agreed to come back to him after our meeting with Andrew and said we'd be pushing to carry on with the audits.
