Michelle

Would it be possible for Angela and you to meet Bernie and me at say 9.30 prior to the DETI/DEL meeting so that we can update you on this and a couple of other points?

I appreciate summer leave will have been an obstacle in resolving this, but just wanted to follow up.

If there is unlikely to be any progress to report before you head off on annual leave, perhaps we could schedule a stocktake for w/c 1 September?

Many thanks

Michelle
