Susan

Many thanks for your email.

We have worked our way through the draft NI RHI Regulations and have addressed the initial comments raised in your email below in the manner noted under each in red.

I attach a revised version of the draft NI RHI Regulations for your review. For ease of reference, please also find attached a blacklined version marked to show the changes made to the version we issued on 27th June 2011.

From an initial review of the draft GB RHI Regulations to be debated in Parliament that have now been published by DECC, these would appear to differ significantly from the version dated 9th March 2010 that we used to prepare the NI RHI Regulations. Please let me know if you would like us to carry out a more detailed review of the draft GB RHI Regulations to be debated in Parliament and revise the draft GB RHI Regulations in-line with these.

I look forward to hearing from you further.

Regards

Alan
