We would be happy to discuss the work request with you by conference call. Would tomorrow morning at 10.00am be suitable? If you could provide us with a number to dial into, that would be much appreciated. It would be Joanne McCutcheon, Peter Hutchinson and me from DETI in on the call.

Thanks

Susan

Susan

We've now had an opportunity to review the work request form and the other documents in relation to this matter.

As mentioned in the work request form, a meeting (or call) would be required to discuss specific issues and this would also be very useful to inform our fee quote for the work.

Given the urgency of this matter, we can make ourselves available at any time today or any time up to 1pm tomorrow to discuss - I'd be grateful if you could let me know what would suit best.

Regards

Alan
