Fiona,

See attached draft business case (including the CEPA proposal) and the draft business case. Likely that both need further refinement and probably best to have a further discussion with CPD before this issues, the CPD pro forma also needs to be completed before AO approval.

I also need to confirm with Sandra T on Monday what the budgetary position is.

Sam – Grateful if you could consider business case from economist point of view and let me have any comments/changes.

Thanks,

Peter
