Alan,

Following on from your emails below (between Ofgem) it is now our understanding that the Regulations can be finalised and that no further queries exist.

As per email below, Reg 23 (2) has been amended to the following, grateful if you would confirm you are content.

In this regulation, "grant from public funds" means a grant made by a public authority or by any person distributing funds on behalf of a public authority and "public support" means any financial advantage provided by a public authority.

In addition, you mentioned the need for additional footnoting in respect of the following;

- (i) *the definition of "gas conveyor" in regulation 2;*
- (ii) *the definition of "NIRO" in regulation 2;*
- (iii) *the definition of "Measuring Instruments Directive" in regulation 2; and*
- (iv) *the definition of "waste" in regulation 27.*

Grateful if you could add the necessary footnotes on the attached copy so the Regs can be finalised and passed to Departmental Solicitors for clearance.

Grateful for a response on these issues today if possible.

Many thanks,

Peter
